

2012 PIEDMONT ARTS SCHOLARSHIP APPLICATION

In recognition of student participation in the performing arts, Piedmont Arts has established 2 scholarships of 500 dollars to a graduating drama actor or technician from Loudoun County public or private school, or the home school community. In support of the Arts in our high schools, the scholarships recognize individuals who have made significant contributions to their schools and drama departments through their actions. Different from traditional scholarships, the Piedmont Arts Scholarships place more emphasis on a demonstrated interest in and service to the Arts community than on academic or athletic excellence.
